

CV^X EXPO23

Talking Stick Resort & Casino

SCOTTSDALE, Ariz.

November 14-16, 2023

Collocated with

Business Meets Pleasure in the Desert at CVx Scottsdale

CVx once again brings together *ChannelVision Magazine's* audience of agents, technology solutions brokerages and resellers, along with *Remote Works Solutions* audience of MSPs and IT solution distributors, to recharge their channel programs for the coming year, network with their peers and prominent members of the channel community and celebrate the successes of 2023.

CVx partner attendees come to Scottsdale to fill their funnels with the new opportunities and technologies found on the 100-plus-booth expo floor and to sharpen their sale strategies with new ideas and actions plans provided by four distinct educational tracts. They stay for the numerous social and networking events, sponsored outings, complimentary meals and reception, and all the relaxation and recreation provided by a resort casino in the beautiful Sonoran Desert.

All-inclusive registration to CVx is free to qualified channel partners and channel managers.
