

CVX EXPO 24

Talking Stick Resort & Casino Scottsdale, Ariz. | November 12-14, 2024

Find new opportunities and old friends at CVx

CVxEXPO is where *ChannelVision Magazine's* audience of agents, TSDs, MSPs, trusted advisors and channel managers come to discover new sales opportunities, network with peers and prominent members of the channel community and build their roadmaps for the coming year.

CVxEXPO exhibitors and sponsors access this highly engaged and targeted attendee base through three days of expo hall hours on the 100-plus-booth expo floor, two days of unrivaled and on-point educational content and numerous unique social networking and after-hour events.

Following up on a 30 percent increase in partner attendees in 2023, **CVxEXPO** is tracking to be an even bigger, better attended channel partner event in 2024. More than 100 sponsors and exhibiting brands will host more than 1,000 expected partner attendees.

Talking Stick Resort, meanwhile, provides exhibitors and attendees four-star accommodations with all the amenities of a Las Vegas hotel and conference center but in an affordable, efficient and smoke-free setting located on undeveloped Sonoran Desert.

CVx EXPO *Past*
